Thursday 1st August

Dear Resident,

Mammoth Screen (Invisible) Ltd are producing a new series for ITV called "Invisible". The drama revolves around an older detective showing his younger colleagues how to solve crimes. The drama is set in the modern day and will feature the best of Bath locations.

We have been granted permission from Bath & North East Somerset Council to implement a temporary road closure along Lansdown Crescent on the following date:

Sunday August 25th: 12:00 – 19:00

The road will only be restricted as and when traffic signs are in position and will not be affected for the whole of the period but only for so long as is necessary to execute the works.

The alternative route will be along Upper Lansdown Mews, as per the map overleaf, and we will ensure that all residents are able to enter and exit their homes. Security will also be on site prior to filming if you have any questions or need help with access. The closures will be enforced by traffic management and a clear diversion route will be set up.

We have also been granted permission to suspend parking on Lansdown Crescent from outside number 20 to outside number 14 (both sides) as well as some of the Pay & Display bays at each end.

The production apologises for any inconvenience caused. Members of the Location Department and our security will be on the Crescent prior to and during the filming and will help any residents that require access or parking.

The production will make a sizable contribution to the Residents Association for the benefit of the all the residents on Lansdown Place East and West and the Crescent itself.

If you need any further information, please contact me on the number below.

Yours sincerely,

David Johnson, Location Manager
