

St James's Cafe Deli Takeaway Menu

Available Monday to Friday

All takeaway food, bread, cake, wine and sundries will have to be ordered and paid by card over the telephone in advance between 9.30am and 12.00 midday for next day collection. A delivery service will be set up for those of you that will be self isolating or unable to get out. Information on this service will come into force next week.

Collection of your order will be between 1.30pm and 2.30pm from St James's Cafe Deli. A table will be put across our open front door and your food will be distributed by Alex so that we all stay safe with minimal to no contact.

To place your order between 9.30am and 12.00 midday call Alex on 07429-240249 for next day collection or delivery!

As you will be aware we are closed and have no idea when we will re-open. We will be offering the service above indefinitely and I'm sure this will evolve over time. The food takeaway menu will change weekly with a similar format to above. This service is available to all as long as we can cope with demand.

We've had to have strict order and collection policy and would ask you to adhere to the time slots so we can serve as many of you as possible.

I don't have time to label every dish with its ingredients however, I will supply the allergens list for each dish so that you are aware. I will also supply any heating/cooking instructions as necessary. All takeaway dishes will freeze.

Some of the products listed such as the Ortiz products are in limited supply because they are Spanish so I will remove them from the list once sold.

This just leaves Alex and I to say stay safe, positive and as healthy as you possibly can in these tough times. Think of your neighbours and remember they are living through this too.

Speak soon!

Kim Alex and Alfie
